NARRATIVE:

Jonathan Holleman has an extensive adult criminal history that began at the age of 18. His convictions include domestic violence with injury, multiple burglaries, multiple convictions for possession, transporting and sales of controlled substances, petty theft, resisting arrest and violation of parole. He has served multiple state prison terms, the longest, a 16 month term for possession of controlled substances. Holleman was released from state prison to the supervision of the Los Angeles County Probation Department on October 15, 2011. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in August 2014 after he absconded from post release community supervision (PRCS). Holleman qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
